1.ABOUT US

Our Mission

To always serve our customers on time and to go the extra mile as needed to enhance and add value to our customer's business.

Our Vision

We are committed to being the leading provider of innovative, integrated solutions specializing in global transportation, distribution, logistics and container services.

More about us

We are proud to provide our customers with quality and reliable services. Our team of experts at all levels of our services have years of experience backing them, which adds the credibility of an expert workforce. This also helps us in cutting down response time, and always providing punctual delivery and services. Our main objective is to always serve our customers on time and to go the extra mile as needed to enhance and add value to our customer's business.

We are a bonded Canadian carrier, and all equipment is maintained in top condition according to Government specifications by our service staff on site. We are centrally located with a 14-acre secure yard with 7 top handling machines which can store up to 2500 load and empty container of sizes 20',40,45 and 53. Also we have reefer plugin spots.

We are associated with great team at our workplace, whether office employees or drivers, treat them well and build long term relationships. We hope that you find the above information helpful and we look forward to hearing from you to discuss new opportunities to work with a reputable company as good as yours.
